NARRATIVE

Eby MLP, Planning File No. 81-051

This July 9, 1981 survey is a partitioning of a 20.80 acre parcel, at the northwest corner of Highway 42 and BLM Road Number 29-8-2.0 into two 5.00 acre parcels and one 10.80 acre parcel. My Basis of Bearings was taken from the GLO Plat, N0°05'00"W on the measured line between the Section Corner common to Sections 1, 2, 11, and 12, T29S, R8W, W.M. and the S 1/16 Corner common to Sections 1 and 2, T29S, R8W, W.M. The west line of Parcel 1 was established by deeds Vol. 104, Page 113 and Recorder's No. 70-266. The north line was established as a line from the S 1/16 corner common to Sections 1 and 2, T29S, R8W, W.M. to the found 1/2" iron pipe at the Northeast fence corner. The east line was established by the found monuments and the easterly fence line projected to a point 50 feet northerly from the centerline of (unmonumented) Oregon State Highway 42. The south line was established by the centerline of Highway 42 and deed Vol. 205, Page 17. All of the abovementioned deeds are filed at the Douglas County, Oregon Deed Records Office. I used a 20 second theodolite and EDM.
