About 30 yrs. ago I went with Ernie Black and another man from B.L.M. to the corner of Sects. 5 & 6 T. 21S. R. 7W. W.M. on the south line of Sect. 32 for the purpose of renewing this corner. They showed me one B.T. which was down and in area to be burned. They were afraid that the corner would be lost. So with their help I set one of my T-irons for the corner.
