RENEWAL

Monument Set: (Procedure and Description)

New Accessories: (Description) Distance to NW B oak

clump appears to be a face measure, we add a new PCSO BT tag to this tree with a corrected distance of 42° ft. measured from center of root crown.

We add a new tag to the 10" madrone also; this tag records bearing and distance from center of root crown: N44°E, 17 ft.
