Dear Ms. Crawford:

In response to your letter of October 28, 1981 concerning my survey for Woolley Enterprises (R.M. 3-49, filed in your office) would you please make the following corrections to the original map. The basis of bearing should be North $3^{\circ} 12' 27''$ West instead of North $3^{\circ} 12' 27''$ East as I have shown. The distance on the yet undedicated street that I show as North $58^{\circ} 00' 00''$ East, 300.17 feet, should in fact be North $58^{\circ} 00' 00''$ East, 333.06 feet.

Thank you for your help, sorry for the error.

Sincerely,

James E Andrews, P.L.S.
