Robert Mason
415 Surrey Dr.
Grants Pass, Ore.
97526

To: Virginia Laugen

On Wednesday, April 20, 1983, I visited the corner common to Sections 10, 11, 14 and 15, Township 30 South, Range 6 West of the Willamette Meridian. I found the following bearing trees referenced to said corner.

1. 8" Laurel bears N 56° E 29.6'
2. 8" Laurel bears S 29° W 54.5' (BLM Tag)
3. 14" Laurel bears N 9° E 49.2'
4. 12" Laurel bears S 9° E 52.0'
5. 11" R. Fir bears N 75° W 33.00"

I note that the plat submitted to your office, had the diameters of the two Laurel trees shown as 1. and 3. above, reversed. I would be grateful if you would be so kind as to make the correction.

This is on the survey for Robert Thompson in the NW $\frac{1}{4}$ of Sec. 14, T. 30 S., R. 6 W., W.M.

I am sorry that this took so long but it seemed a long way to go for such a small item. Thanks for your patience.

Sincerely,

Robert Mason
