1970

iron pipe protruding 7 inches
from ground and firmly set
on the south edge of the

brass cap and iron pipe monument. The monuments are
in an old North-South fence and are approx. 5 ft. from North
of a fence corner with fences running North and South and West

Accessories Found: (Condition and Source) A search is made for

original bearing trees but only possible evidence
of south west bearing tree is found; at record
bearing and distance (S52 1/2° W, 63 1/4 feet distant)
is a tipped over 26 inch diameter fir, the northeast
face of which is not accessible for investigation and
no evidence of blazing is found on the rest of its trunk.

#124X

From renewal #16 a 24" Fir is not found at record bearing and distance however a rotted fir stump from renewal #98 is found at N22°W, 43° feet distant (record renewal #98, N22°W, 47.0 ft.), tree has no evidence of blazing or scribing. Also from renewal #16
cont'd
