Mr. Robert G. Dean

Dear Mr. Dean:

This is in reply to your letter of October 19, 1981, in which you requested information on the Southwest corner of Section 1, Township 22 South, Range 6 West, Willamette Meridian, located on the Drain, Oregon, 1954, 15-minute quadrangle.

We checked our original field materials and found that in 1952 our fieldman had found a 6 x 4 scribed post at a fence corner. Enclosed is a copy of that portion of the original land line manuscript in which you are interested.

The corner was photo identified on photograph GS-QF 1-118 dated 1952. This photograph may be seen here in Menlo Park. However, we do not release any of our original materials because many of them are irreplaceable. Consequently we cannot send this original photograph to you.

The original cadastral field notes are not available at the Western Mapping Center. However, copies may be obtained from:

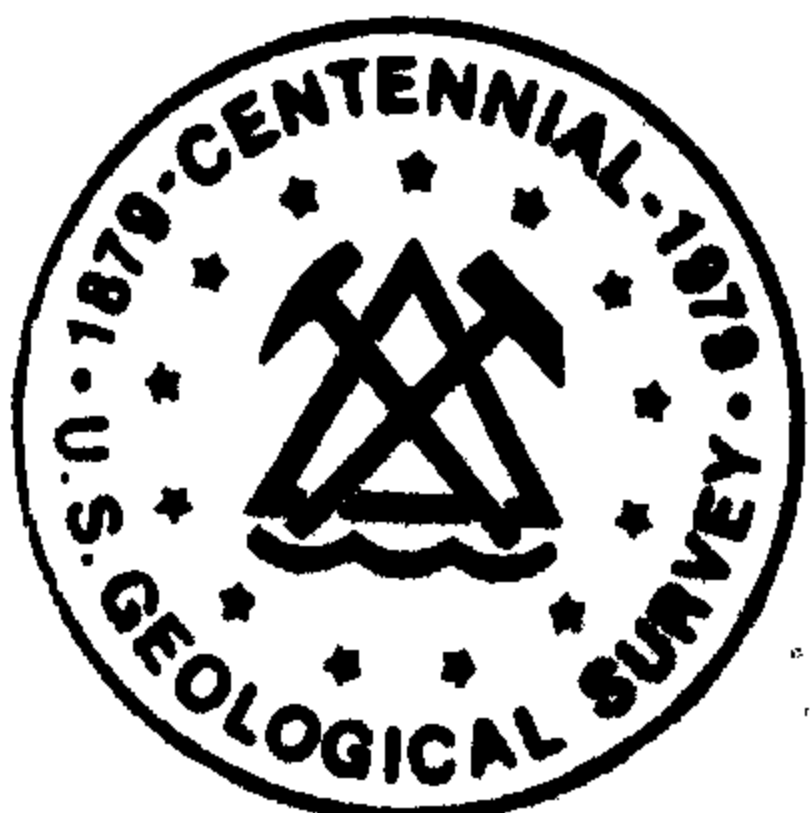

Bureau of Land Management
Portland Service Center - Cadastral
P.O. Box 2965
Portland, OR 97208

If we can be of further service, please contact us.

Sincerely yours,

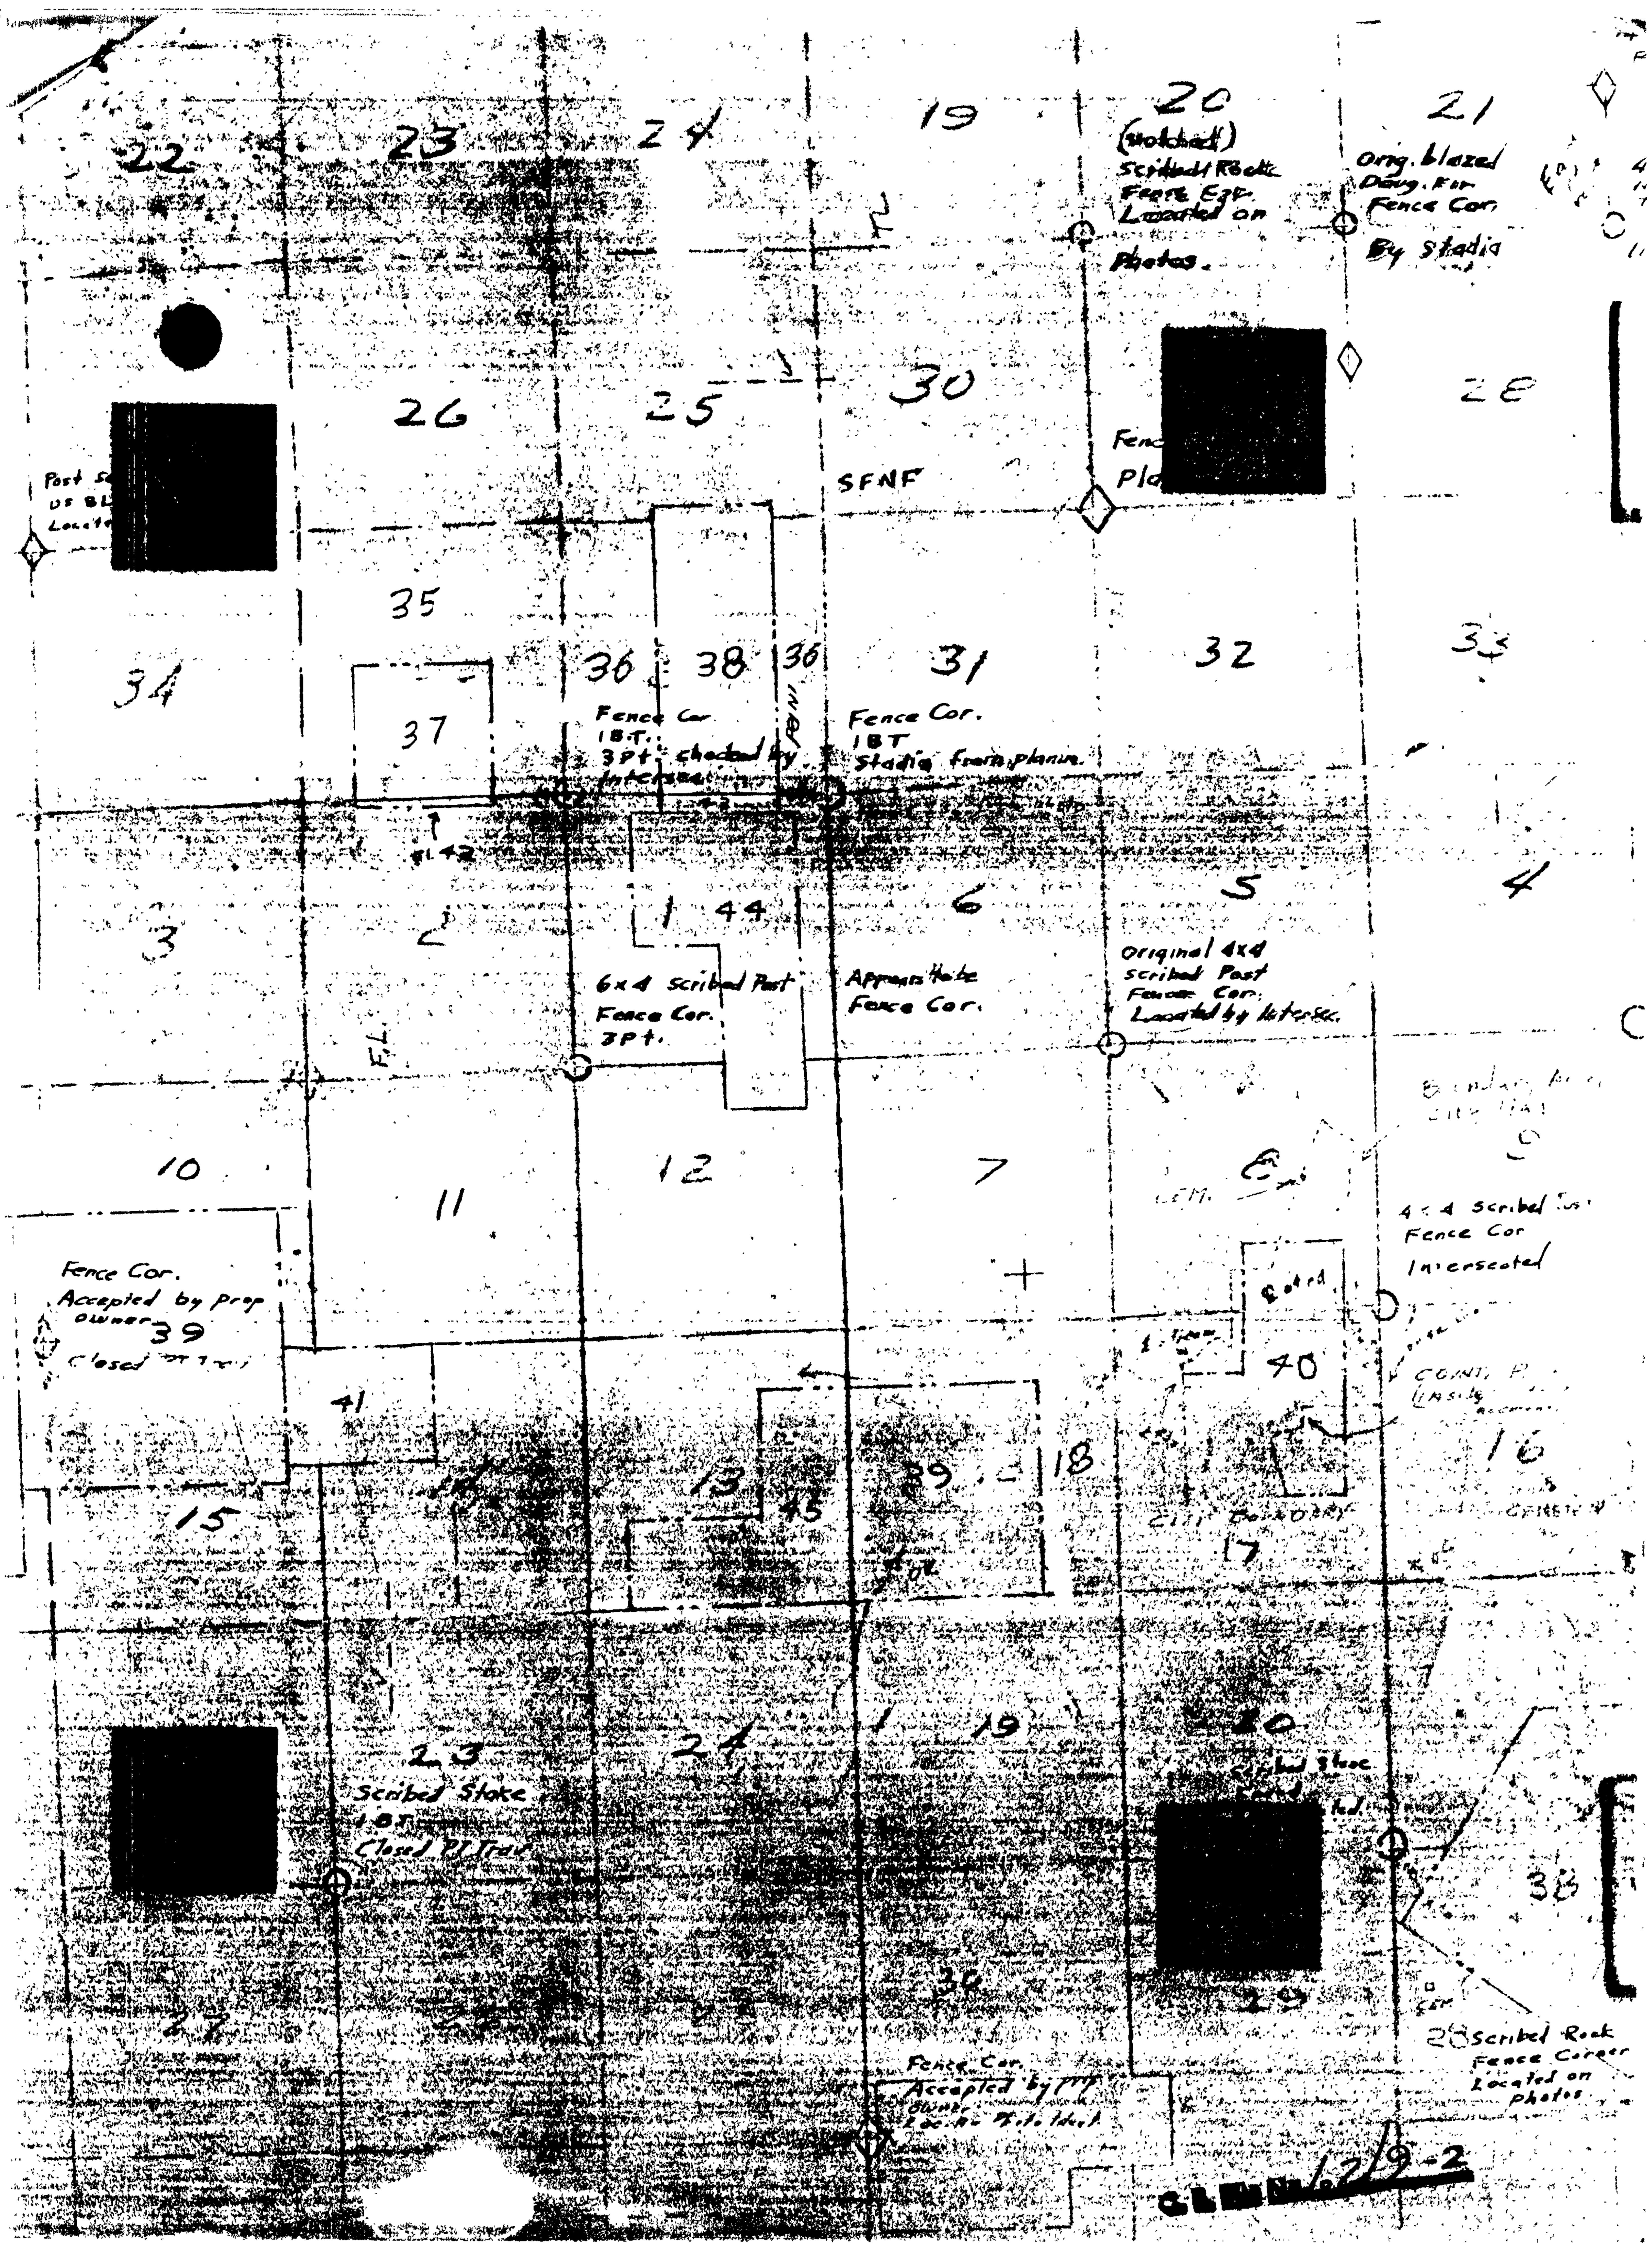

J. R. Swinnerton
Chief, Western Mapping Center
