Dear Mr. Peterson:

Per our phone conversation earlier today I am sending you a copy of the July 18, 1957 letter from Mr. Berlin of the BLM to John M. Phillips, L.S. #307. Perhaps there is something that will enable you to locate additional correspondence or maps.

Listed on the enclosed letter from Phillips to Fred Darby dated March 29, 1958 are the corners Phillips set, for which we need records.

Sincerely,

Larry "Ed" Monrean

At the closing corner of section $\frac{12}{11}$ T. 23S., R. 7W.
W.M. AS reported by me on June 7, 1961.
We did find scribe on the corner ~~tree~~^{stamp} and
the B.T.s. & stamps and did count the rings to
determine that the trees were scribed at
the time Byers made his survey.

LEO J. MARTIN L.S. # 363 and
E. M. HAINES found the corner and
I went in there with them the next
day.
