COUNTY SURVEYOR
DOUGLAS COUNTY, ORE.
TF

PURPOSE: To survey the South and East ^{NW $\frac{1}{4}$} boundaries and tie in fence lines on a parcel of land located in Section 5, Township 33 South, Range 6 West of the Willamette Meridian, Douglas County, Oregon.

PROCEDURE: Using a NIKON NTD-4 manual station, I began at the Northeast property corner as set per M 103-3; thence I surveyed South 0°27'26" East 339.27 feet and set the Center 1/4 corner as determined per M 103-3 and RM 3-61; thence I traversed South 88°30'51" West 2601.06 feet to the Center West 1/16 corner, as set per M 103-3, at which point I found a 5/8" iron rod and yellow cap, from which I found:

A Madrone 14" in diameter, North 65° West, 14.70 feet, scribe visible

A W. Fir 10" in diameter, South, 3.05 feet, scribe visible

Thence I tied in the fences as shown on the map.

Meridian is based on Survey M 103-3.

Survey map is a separate document.
