COUNTY SURVEYOR  
DOUGLAS COUNTY, ORE.

Minor Land Partition survey in the SW 1/4, Section 15, T23S, R5W, TF  
W.M., Douglas County, Oregon.

This survey was preformed April 1986 for Kenneth Gilmore to set property corners for Parcels 1 and 2. Corners were established from found corners.

Note A: The Southeast corner of Parcel 2 was computed by bearing-bearing ( N88°23'56"E and N 0°33'42"W ) intersection from the Westerly right of way of State Highway No. 235 and the found 1/2" iron rod at the Southwest corner of Parcel 2 and a found 1/2" iron rod at the Southeast corner (refer to M 12-30), the computed point on the right of way bears S88°23'56"W, 1.03 ft. from this iron rod.

The Northeast corner of Parcel 1 was computed along the Westerly right of way of State Highway No. 235 and record distance (230.00 ft. from M 12-30) from the Southeast corner of Parcel 2. I then inversed from said Northeast corner to the found 1/2" iron rod at the Northwest corner of Parcel 2.

Instruments: Theodolite and Distance Meter.
