Location & Comments

The purpose of this survey was to reestablish property line between the SW 1/16 corner and the W 1/16 corner of section 33. Lone Rock Timber ran a closed loop traverse starting at the SW 1/16 corner and running southerly to the W 1/16 corner for section 33 only thence running northerly back to the SW 1/16 corner to close the loop. There was a timber encroachment on Juniper Properties Limited Partnership LLC and Lone Rock marked the property line through the timber cut over area with ribbon and metal fence post with boundary tags attached.
