I began the survey at the N.W. Cor. D.L.C. No 41 which I re-established as noted elsewhere. I then ran S.89° 23'E. along the N.line of D.L.C.41 and at 16.57 ch I set the N.W. Cor of Beckley's land by driving a 1"x40"G.I. Pipe from which a 20" W.oak bears S.63°E. 1.32 ch. scribed C.S.B.T. I continue on the N.line of Cl.41 31.74 ch I set a 1"x36"G.I. Pipe for Beckleys N.E. Cor. and continue on the N.line of Cl.41 and at 68.96 ch I fall on the N.E. Cor. Cl.41 as established by Chas. Roberts this is also the N.E. Cor. of Plat "B" Deer Creek Orchards. I set a 1"x40" G.I. Pipe at this corner and then run out Beckleys land as follows in Description below. I did not run the S.Line of Cl.41 but took the old fence as good as I was requested not to run this line.
