COUNTY SURVEYOR'S RECORD, DOUGLAS COUNTY, OREGON

Survey No. *Made on* June 30,1919.	*Survey No.* *Made on*
In Town. 23 S. *Range* 5 W. *Sec.* 10,11,14 and 15	*In Town.* *Range* *Sec.*
Made for J.D.Wilson Est. & Otto Joeckel.	*Made for*
Purpose of Survey was to establish a division line between the parties in order to fence.	*Purpose of*

F. B. 15=46

I began survey at the sandstone rock which marks the N.E.Cor of D.L.C.#45 and sighted S.00° 30'E. along the E.line of Cl.45 and measured along this line and at

20.00 ch I set a flag.

I then go to the N.W.Cor. of Cl.45 as established by J.W.Cole and recorded in this office and measured South along the fence on the West side of Cl.45 and at

20.00 ch I hit the stake set by Surveyor J.W.Cole, and also note the witness trees O.K. for record of Cole's survey see Vol. 2,Page 272.

I then run N.89° 45'E. from Coles stake to the flag previously set by me which could be plainly seen without running a random line,and set a row of stakes to,mark the line.

I then returned to the flag and measured S.89° 45'W. and at

20.00 ch I set a ½"X30" iron bar for a corner as called for in the deed.

Chainmen { J.B.Wilson, D.C.Wilson

Sun bearings used

Transit lines run

Chaining good

F. C. Frear

Deputy County Surveyor.
