Survey No. 233 Made on Mar. 1925
In Town. 28 Range 6 Sec. 20-21
Made for Burke Estate
Purpose of Division of estate

This survey was made to locate and make a description of a 100 acres more or less. Three different tracts were run out. and all rejected by the adventists. The land including this 100 acres was sold later to a different party. The survey was never used for a description. field notes in Vault No. 2 env. 35

I began the survey at a point where the west line of the property intersects Lookingglass Creek and thence ran around the boundary of the property. I then ran division lines between the various tracts, dividing the property into portions of equal value. Maps, descriptions, notes, and calculations, in vault 2, env. 33
