Monuments marking the exterior boundaries of the Major Land Partition as shown in Map file M 98-73 of the Records of the Douglas County Surveyor were found and used to control the boundary of Parcel B. The east line of Parcel B was established using the monument found at the southeast corner of Parcel B and projecting the east line at the same bearing as the west line of the 35' wide easement. The west line was established 35' east and parallel to the west line of the property as shown on the above said map.
