NARRATIVE

The purpose of this survey was to partition the portion of the lands described in Deed Reference Number 65-15066 of the Deed Records of Douglas County, and are in Lot 1, Pacific Highway Fruit Lands, Lot 2, Green Valley Orchard Tracts and the vacated portion of County Road Number 26 as described in Vacation Order 286716, Section 2, T27S, R6W, WM.

The westerly boundary was established by using the found monuments per RM3-19 as recorded in the Douglas County Surveyor's records. The northerly line was established by using the calculated southerly boundary of Lot 1, Block 1, South View Subdivision per M106-49B and projecting it to intersect the westerly boundary. The easterly boundary was established using existing monuments per M107-49B, the existing traveled center line, and record curve data and stationing per Douglas County Road Department Right-of-Way Maps of County Road Number 16. The south boundary was controlled by using the existing center line and the found Right-of-Way monuments of County Road Number 26. The corners of the land described in Deed Record 76-18086 were established using Deed record angle and distance.

SURVEYOR'S AFFIDAVIT

I, Mark A. Heimbürger, being duly sworn, depose and say that I have surveyed and monumented with proper monuments the corners so indicated on the annexed plat and that the boundaries are properly described hereon.
