NARRATIVE

The purpose of this plat is to show the partitioning of the property described in Deed Reference No. 94-05759 of the Deed Records of Douglas County in conformance with a tentative plan shown in Douglas County Planning Commission's File No 93-279.

The northerly and easterly exterior boundary lines were determined by the monuments found as shown on the annexed map and Douglas County Public Works Road Plans for Happy Valley Road (#26D) dated 1992. The westerly boundary line along Roberts Creek was calculated using record distances from the Deed. The easterly Right-Of-Way line of Carnes Road was computed by holding the pin at the northwest corner of the subject property and holding the monument found at the southwest corner of Parcel 3 of the Partition shown as M63-27, Instrument Number 77-4261 using the record distances as per the Deed.

The Partition Line as per the Preliminary Partition as filed with Douglas County Planning Department, File No. 93-279.
