#### NARRATIVE

The purpose of this plat is to show the partitioning of the property described in Deed Reference No. 93-14245 of the Deed Records of Douglas County in conformance with a tentative plan shown in Douglas County Planning Department's File No. 94-116.

The exterior boundary was established by monuments found per Partition 1993-0045, M 90-57 and existing Government corners, from which the center 1/4 corner of Section 7, Township 27 South, Range 6 West, W.M. was calculated and set as shown. The north line of the subject property was determined by the existing fence line and agreement with the adjoining property owner. The partitioning line was established at the discretion of the property owners.

#### DECLARATION:

KNOW ALL PEOPLE BY THESE PRESENTS: that David & Kathleen Brink, owners of the land represented on the annexed map, and more particularly described in the accompanying Surveyor's Certificate, do hereby declare the annexed map to be a correct map of the partition plat including the 20.00 foot wide access easement, plus the 60.00 foot wide access and utility easement of said property and that they have caused this partition plat to be prepared and the property to be partitioned into parcels as shown in accordance with the provisions of Chapter 92 of Oregon Revised Statutes. There are no water rights appurtenant to subject property.
