NARRATIVE

The purpose of this plat is to show the partitioning of that property described in Volume 1212, Page 412, Douglas County County Book of Deeds into two parcels in conformance with a preliminary approved by the City of Sutherlin, file number 95-04-018.

Holding the monuments found along the northerly Right-Of-Way line of Central Ave. and offsetting 70.00 per survey M 47-28, the Right-Of-Way of Central Ave. was established (per that survey). The 3/4" pipe per said M 47-28 was held for distance only, controlling the westerly line of the subject property along with the 5/8" rod found at the west line of Lot 4, Plat "A", S.L. & W. Co. per survey M 90-23.

The east line was determined by offsetting the west line record distance, the north line was computed by offsetting the centerline of Central Ave. 35.00 feet, the south line was calculated by offsetting the north line record distance, from which intersections were computed and monuments set on the boundary of the subject property. The interior parcel line was determined per the preliminary.
