

NARRATIVE

The purpose of this plat was to monument property corners of a tract of land described in instrument number 87-14687 and 90-00720, Douglas County Book of Deeds in compliance with a preliminary partition filed with Douglas County Planning Department file number 94-289.

Based on the monuments found as shown the northerly Right-Of-Way of County Road 31 was established using record curve data and recreating the computed points of Lang's survey M 108-65 and then checking into the Point of Curvature at station 73+20.54. The southerly line of D.L.C. 43 was calculated by holding the monument shown as point "B" and the monument set by Lang at the southwest corner of the subject property as shown in M 108-65 then projecting westerly again recreating Lang's computed point (as shown on said M 108-65 and Ingram's survey M 74-73). The most southwesterly corner of the subject property was determined by holding the monument shown as point "A" and using record distances as shown on Bentz's survey M 89-3. The partition line is a projection of the north line of that property described in instrument number 250478.

DECLARATION:

KNOW ALL PEOPLE BY THESE PRESENTS: that Harry and Barbara Buckwalter, owners of the land represented on the annexed map, and more particularly described in the accompanying Surveyor's Certificate, do hereby declare the annexed map to be a correct map of the partition plat of said property and that they have caused this partition plat to be prepared and the property to be partitioned into parcels as shown in accordance with the provisions of Chapter 92 of Oregon Revised Statutes. There are no water rights appurtenant to subject property.
