NARRATIVE

The purpose of this plat is to show the partitioning of the property described in Deed Reference No. 95-08786 of the Deed Records of Douglas County in conformance with a tentative plan shown in Douglas County Planning Department's File No 95-138.

The exterior boundary was determined by transcription of the property using the Deed as recorded in Volume 1350, Page 951 (95-08786) of the Deed Records of Douglas County. THIS PROPERTY WAS NOT SURVEYED. Also used was information taken from Douglas County G.I.S. for creek, existing roads and Government corner locations. No verification as to the accuracy of said G.I.S. data was performed. This data gave the appearance of the Assessors map of the subject property and that was how the preliminary was based and partition lines located.

The condition and/or existence of record monuments is unknown. Symbols shown on this plat are calculated points only.

This is a description of the linework shown on this map. The subject property was not surveyed, hence this description CANNOT change the record document referred to in the Surveyor's Certificate and the Narrative.
