NARRATIVE

The purpose of this plat is to show the partitioning of the property described in Deed Reference No. 94-12080 of the Deed Records of Douglas County in conformance with a tentative plan shown in Douglas County Planning Commission's File No 95-146.

The exterior boundary was determined by holding the monuments found as shown. The radius of the Cul-De-Sac at Teeple's Court was calculated by holding the monuments found on the Right-Of-Way of said Cul-De-Sac. The arcs of the access off of Teeple's Ct. were determined by holding the northerly and southerly tangents of said access, then creating the radius points for both arcs at record distance. A distance/distance intersection was calculated to determine the intersection of the Right-Of-Way with the beginning of the access onto the subject property. The parcels were as per the discretion the owner of the property and monuments were set as shown.
