PLANNING FILE NUMBER P-04-1 REVISED 5/12/04

City of Roseburg Requirement

Plans for the street and all public improvements must be approved prior to issuance of any building permit for any of the three parcels.

Public streets shall be 40 foot wide with 7 foot sidewalks on both sides within a 60 foot right of way; construction of such streets shall be completed prior to building occupancy of any of the 3 parcels.

Refer to Approval of City of Roseburg File Number P-04-1 for all Conditions of Approval

NARRATIVE:

The purpose of this survey is to demarcate the parcel lines of that property described in Deed Reference Number 2000-22654, of the Deed Records of Douglas County, Oregon in compliance with a tentative approval granted by the City of Roseburg per Planning Department File Number P-04-1. The boundary of the subject property was determined by holding the monumentation found as shown along the east boundary line and along the north Right-Of-Way Line of Douglas Avenue. The westerly and northerly boundary lines were calculated by holding record interior angles and record distances per the above mentioned Deed. The westerly and northerly boundaries of the subject tract were not surveyed. The Parcel lines were at the discretion of the property owner.
