NARRATIVE:

The purpose of this plat is to show the subdivision of the property described in Deed Reference No. 94-23647 of the Deed Records of Douglas County in conformance with a tentative plan submitted to the Douglas County Planning Department, File No. 95-044.

Based on found monuments as shown, and holding the monuments on the north Right-Of-Way line of Landers Lane per M 120-41 the south boundary was established. The west boundary was also based on the monuments found per M 120-41 and going record distance less that portion of the subject property within the Right-Of-Way of Landers Lane. The north boundary was established by holding the bearing established on the south boundary line and going record distance. The east boundary line was established by closing onto the NE corner of that property described in Deed Reference No. 88-15042. The newly created lots were as per the tentative map, said Planning File No. 95-044.
