DECLARATION.

KNOW ALL PEOPLE BY THESE PRESENTS, that Robert L. Siebum and Sara C. Siebum, husband and wife, owners of the land represented on the annexed map, and more particularly described in the accompanying Surveyor's Certificate, do hereby declare the annexed map to be a correct map of the subdivision plot including all public easements as shown on plot of said property. They have caused this subdivision plat to be prepared and the property to be subdivided into lots as shown by the name of "LEGACY ACRES", and do hereby dedicate to the public forever the use of the streets and easements shown thereon.

PUBLIC UTILITY EASEMENTS.

"Utilities shall have the right to install, maintain, and operate their equipment above and below ground and all other related facilities within the Public Utility Easements identified on this plat map as may be necessary or desirable in providing utility services within and without the lots identified herein, including the right of access to such facilities and the right to require removal of any obstructions including structures, trees and vegetation that may be placed within the PUE. The utility may require the lot owner to remove all structures within the PUE at the lot owner's expense, or the utility may remove such structures at the lot owner's expense. At no time may any permanent structures be placed within the PUE or any other obstruction which interferes with the use of the PUE without the prior written approval of the utilities with facilities in the PUE."

NARRATIVE

The purpose of this survey is to subdivide the property describe in Deed Reference Number 2005-8218 of the Deed Records of Douglas County, Oregon.

The boundary of the survey was determined by holding monuments found per Record Survey CS51/219 and Park View Homesites. The the 5/8 inch iron rod at Southwest Corner of Lot 13, Plat "F", Roseburg Home Orchard Tracts was reported to be a 1/2" iron pipe. The South boundary is controlled by the this monument and the found 3/4 inch iron pipe (record is 1 inch iron pipe) at the Southeast corner of said Lot 13. The Southeast corner of the property was determined at midpoint of the this line. The East line was established holding the Southeast corner as described and the found 1/2 inch iron pipe per CS51/219.

The excepted portions of the West half of Lot 13 were then computed using record information per deed. The property was then subdivided to comply with the City of Winston's tentative approval
