I, Harold Woolley, do hereby certify that I am the President of the Woolley Logging Company; that Wilford N. Haines, who made the accompanying statement, is the surveyor of said company; that the survey of the logging road, as accurately represented on this map, was made under authority of the company; that the company has corporate power to construct said logging road upon the location shown on this map; and that the map has been prepared to be filed as a part of the company's application in order that it may obtain a right-of-way across lands of the UNITED STATES; and I further certify that the right-of-way herein described is desired for the purpose of transporting forest products.
