SURVEY FOR DEED DESCRIPTION  
IN THE N.W. 1/4 OF SEC. 7, T. 21 S., R. 4 W. W.M.  
FOR D.E. KINGZETT  
BY BRUCE ROGERS

1" = 200'

Purpose of survey was to cut approx. 40 acres off the North end of the Kingzett property. I ran a random traverse from the 1/4 Cor. to the Section Cor. I missed the Govt. distance by only 0.1'. I rotated to their bearing  $N0^{\circ}04'W$  for a base. I then ran a closed traverse around the parcel and set the S.E. and S.W. corners from calculated ties. I also flagged the south line. The Co. rd. R/W is unmonumented and no attempt was made to locate it exactly; however I calculated it as closely as possible for acreage purposes. There is at least one error in the curve data shown on the Co. Rd. plan. All work done with transit & chain.
