- - FOUND 5/8" Iron Rod (or as noted)
- - Set 5/8" Iron Rod

NARRATIVE

I originally surveyed this parcel in 1973. I wrote the legal description but set no rods and no map was filed. Now a map is required for a Vets loan. The deed description calls for a rod at the S.W. Cor. and at Eng. Sta. 394+25 which was washed out by the creek. From my old notes and from the remaining RLW monuments and property corner references I set the S.W. cor. and a rod 521°02'25"W 265 ft. from the missing RLW pin as shown.
