NARRATIVE

The purpose of the survey was to determine the boundaries of Lots 1 and 2 and to survey a 6 foot wide strip of Lot 2 for transfer to adjacent Lot 1. In addition a trespass by Stan Little along the north line of Lot 1 was delineated. A Franke 20" Theodolite and a "Mac 1 EDM" were used as well as a Dietzgen 20" Transit and a steel chain, for survey instruments.
