LEGEND

- Corner found (brass cap)
- Corner projected, not found
- Fence corner
- Fence line
- Angle point, no monuments set
- Centerline for 30 foot wide right of way for existing coaxial cable
- Centerline for 20 foot wide right of way for new fiber optic cable, 10.0 feet wide each side of centerline

NOTE —

Existing coaxial cable right of way to be vacated where replaced by fiber optic cable.

NARRATIVE:

The survey was performed for the purpose of locating and describing a change from the existing telephone coaxial cable right of way to the newly constructed telephone fiber optic cable right of way. A Jena 0°00'01" theodolite and a "Mac II" electronic distance meter were the instruments used.
