NARRATIVE
 Purpose of this survey was to cut the property into 3 parcels. The dividing lines follows lines laid out by Steve Wert, Soil Scientist, in accordance with the farm plan. The County Road is unmonumented so I picked it off of county maps for acreage computation. I used existing fences for the west line.
 All work done with transit & chain.

- Fd. 5/8" iron rods M30-68, M99-52 & M108-40
- Set 5/8" iron rods, 30" long with cap marked L.S. 660
