COUNTY SURVEYOR  
DOUGLAS COUNTY, ORE.

Narrative to comply with Chapter 209, Paragraph 250, Oregon Revised Statutes *1*

SURVEY FOR: Glide Lumber Products Co.  
P.O. Box 370  
Glide, Oregon 97443

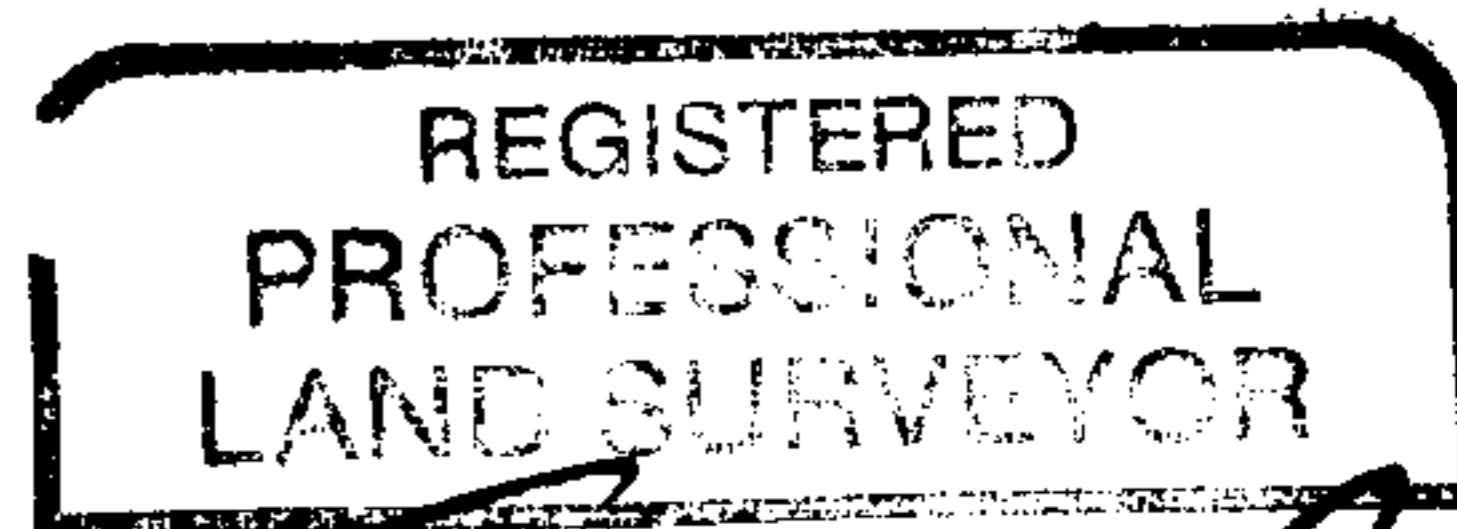

LOCATION: Northeast quarter of Section 18, Township 29 South, Range 3 West,  
Willamette Meridian, Douglas County, Oregon.

PURPOSE: To survey and mark lines for timber management purposes a portion  
of that property as described in Instrument No. 89-05528 as recorded  
in Deed Records, Douglas County, Oregon.

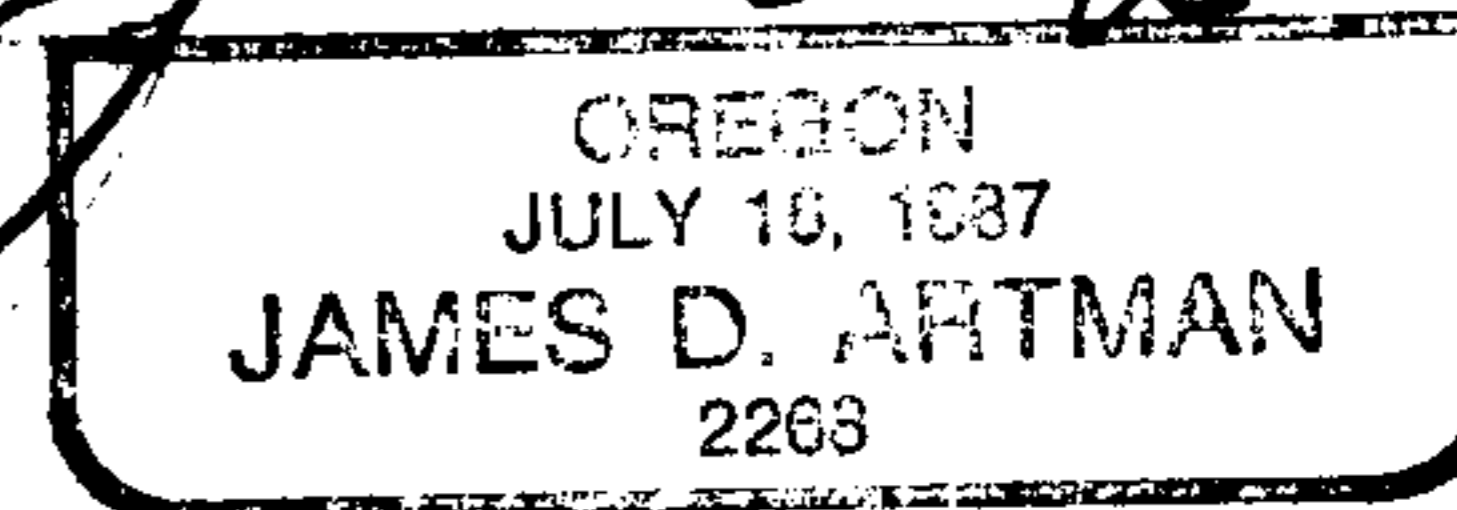

PROCEDURE: The northeast quarter of Section 18 was subdivided by using the BLM  
survey of 1990 which is an unapproved plat at this time. The BLM  
Roseburg District ran the North-South centerline, the East-West ce-  
nterline, the East line, and the East half of the South line of Se-  
ction 18 in 1990. The North line was ran by the BLM in 1980. Using  
their bearings and distances I then computed a subdivision of the  
Northeast quarter of Section 18. Then using the Center quarter cor-  
ner and the North quarter corner for a base of bearing I then ran  
on true line the computed bearings and distances.

BASE OF BEARING: North-South centerline of the North half of Section 18.

DATE: July 6, 1990

*James D. Artman*
