NARRATIVE

The purpose of this survey was to monument the adjusted boundary of the property described as Parcel 2 in Deed Reference Number 92-05951 of the Deed Records of Douglas County.

The found monuments shown were used to establish the right of way of County Road Number 52. The North and West lines of Parcel 2 were established by holding existing fence lines as best evidence of property lines. It is suggested, by this surveyor, that a Boundary Line Agreement, for these lines, be established between all affected owners. The common boundary was then adjusted per tentative plan as recorded in Douglas County Planning Department File Number 97-327.
