Corner Rpt: _____
DOUGLAS COUNTY
SURVEYOR

DETAIL A
NO SCALE

DETAIL B
SCALE 1"=20'

NARRATIVE:

The purpose of this survey is to make a boundary line adjustment between those lands described as Parcel 2 of Land Partition 1998-0023 in the Survey Plat Records of Douglas County, hereafter referred to as Unit 1, and Parcel 1 of Book 1209, Page 595 as recorded in the Deed Records of Douglas County, hereafter referred to as Unit 2.

The line between the found 1997 brass cap at the Section Corner at the Northwest Corner of Section 36 and the found 1997 brass cap at the 1/4 Corner between Sections 25 and 36 was held as Base of Bearing as in our previous survey, recorded as 1998-0023. The locations of all other shown PLSS (Public Land Survey System) corners are shown in relation to the above mentioned line per a 1997 BLM Survey, as of yet unapproved, and another BLM Survey that was completed Jan. 6, 1989. The centerline of State Highway 38 was calculated from found monuments per Drawing 9B-2-28.

APPROVALS:

Keith L. Cubic
DOUGLAS COUNTY PLANNING DIRECTOR
FILE NO. BLA 98-388
