**NARRATIVE:**  
 The purpose of this survey is to monument the corners of the property shown hereon. The monuments found on the west line were held to establish bearing of the west property line. Record distance was held to establish the Northwest corner. The north line was established by holding the line parallel to the back of the existing sidewalk. The east line was established by holding the line to be parallel to Fulton Street as determined by the found monuments on the east right-of-way line. The monument found in the Southeast was held since it's location was accepted by all adjacent owners.
