 - Calculated Point

RECORD INFORMATION

() M 62-42
 [] M 49-34 and/or
 Vol. 2, Pg. 49

NARRATIVE

The purpose of the survey is to monument the boundary of the property described in Instrument Number 2004-19625 being Lots 3 & 4, Block 2, Amended Plat of Johnson's Addition to the City of Myrtle Creek excepting that portion dedicated for additional Right of Way.

The centerline of Division Street was determined by holding Oregon Department of Transportation brass caps. The South right of way was established at a 30 foot offset per Drawing Number 9B-5-26. The boundary of Block 2 of the Amended Plat of Johnson's Addition to the City of Myrtle Creek was computed holding found 3/4 inch iron pipes apparently set in 1973 by Martin as stated on M 49-34.
