 - [] PARTITION 1998-0136

NARRATIVE

The purpose of the survey was to establish the boundaries of the property described in Instrument Number 93-9667, and depicted on RM 1-66 as "42". The found monuments along the South boundary of the property shown in RM 1-66 were found and held. The monument found at the Easterly most corner of #44 was determined to be in relatively good position with the monuments along the South boundary. This monument was held. The Southeast corner of #42 was set at the intersection of the South line at record distance from this corner.
